Experience

Front End Web Designer

2014 - Present

MWF Group, Nassau Bahamas, Full-Time

The company acts as the e-commerce and marketing firm for SoftMoc.com. As a developer I am responsible for email design, e-flyer development, website design, conversion testing, responsive development and many other e-commerce related tasks.

Web Designer/Manager/Owner

2006 - Present

242 Studios, Nassau Bahamas, Full-Time

I founded 242 Studios in 2006 and became a freelance web developer taking on a wide variety of projects. I still operate my freelance business under this identity.

Web & Graphic Designer

2004-2006

Sonshine Communications, Miami Fl., Full-Time

I handled a wide variety of design jobs including web design, interactive kiosk development, interactive CD's & DVD's, as well as graphic design such as billboard design & flyers.

Education

Art Institute of Ft. Lauderdale

2001-2004

Bachelor's Degree in Interactive Media Design

University of Central Florida

2000-2001

Communications Undergraduate
